

**Make Yourself is Greater Peoria's one-stop, career resource for students, parents, educators, and employers to gain career insights, connect with career development opportunities, and find other great career-exploration events!**

## Tools For Your Classroom

**Grow Their Skills** .....|  
Support your students' learning with industry-specific programming through FIRST, Girls Who Code, SkillsUSA, and more! Connect with these great programs and arm your students with 21st century skills.

**Support the Soft Skills** .....|  
Employers are looking for students with soft skills. Edmettle gives you a way to support your students as they grow and demonstrate their skills. Edmettle operates on a classroom basis allowing you to establish a 'virtual' classroom, set soft skills parameters and provide students and parents feedback in real time, reinforcing the soft skills crucial for success in today's job market. The best part? It's free!

**Stay in the Know** .....|  
Sign up for the Make Yourself GP educator mailing list to stay informed on great opportunities to connect your classroom to the local industry, share best practices between schools, and stay educated on initiatives across the region and country!

# Tools For Your Students

## Careers They'll Love .....

Through Career Cruising your students can explore 600+ careers, get matched to careers, compare colleges from around the country, and even build resumes! Help your students get their career journeys started right with Career Cruising!

## Find Work Experience .....

With the Greater Peoria Works database, your students can connect with career development opportunities made available by companies from around the region; helping your students get a leg up on the competition!

## Plan for College .....

What's the real cost of college? How many loans will your students have to use? How long will it take to pay back? With Junior Achievement's Build Your Future online app, your students can start planning for college now and make informed decisions to pursue the career of their dreams!

## Stay Engaged .....

Help keep your students learning, and career exploration going, with a list a summer camps, weekend programs and events that your students can connect with! Do you have an event you'd like to share? Send it to us and we'll get it on the calendar!
